

# QUALITY COUNTS

Striving for High Quality Early Learning

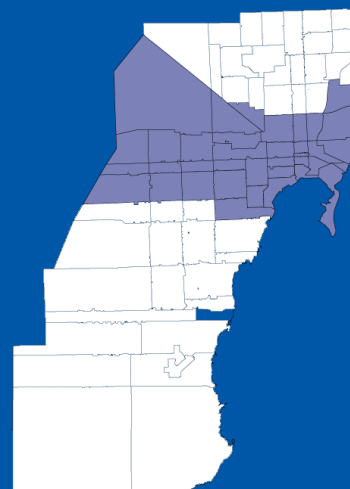

## Quality Counts Neighborhood Learning Network Services

Available to Quality Counts Centers in the Central Region of Miami-Dade

The Neighborhood Learning Network program partners and activities support early care and education programs in the central region of Miami-Dade.

### What is available to Quality Counts programs?

**Social Emotional supports:** Available to **all** children (school readiness or non-school readiness)

To receive Social Emotional supports for children, contact Citrus Health Network at (305) 424-3043.

**On-site quality improvement coaching:**

For more information about technical assistance and career advising, contact the Children's Forum at (305) 639-2726.

**Accreditation supports:** Facilitation supports to any program pursuing accreditation from a Florida Gold Seal approved accrediting agency.

**Communities of practice:** Practitioners and directors engage with peers while learning.

**School Readiness Enhancements:** CEU Bearing Professional Development series customized to program needs and interests.

For more information about accreditation supports, communities of practice and school readiness enhancements sessions, contact United Way at (305) 646-7250.
